

The image features a pair of sandals and several colorful geometric shapes on a teal background. The sandals are made of light-colored leather with brown insoles and have a wide strap across the foot decorated with a row of small, multi-colored beads. The insoles have the text 'MOD & CO' and a small logo. The geometric shapes are in various colors (teal, green, blue, yellow, pink, purple, red) and have different faceted, stone-like forms. The text 'MOD' is prominently displayed in a large, white, stylized font on the left side of the image.
